Therapeutic Alliance Home Health Services offers in home rehabilitation therapies and services such as:

Physical Therapists: The service of Physical Therapist is commonly referred by your physician. Board certified Physical Therapists will come to the home. Physical

Therapists will provide patients with the proper training and service as it is applicable. Some of the services are gait control training, range of motion exercises, cane using instructions and so on.

Occupational Therapy: Occupational therapists train patients to help you enhance strength and independence. They provide education on energy conservation measures to promote self care and independence.

Speech Therapy: To help you improve patient's speech and swallowing skills, Therapeutic Alliance's Speech Therapists offer training and education.

Medical Social Workers: The Social Workers provide valuable information and guide patients through the rehabilitation process.
