The Ostomy Association of Greater Richmond offers an ostomy support group. Each month a different speaker is featured (ostomy product reps, physicians, dietician, ET nurse, psychologist, exercise instructor, etc.) or a sharing of tips session. The group

offers an opportunity to (1) meet with others who understand the challenges of living with an ostomy, (2) share coping strategies, and (3) gain knowledge. Registration not required.

The group generally meets on the 3rd Wednesday of each month at 7:00 pm (no meeting in August or December) at Henrico Doctors' Hospital, Forest Campus, 1602 Skipwith Road, Williamsburg Conference Room. Contact Mike Rollston for additional information by email at [agriva@comcast.net](mailto:agriva@comcast.net) or call him at 804-232-1916.
