Aquatic Physical Therapy provided by Winchester Rehabilitation Center is a specialized physical therapy practice using the buoyancy and support of water to enhance exercise and create a safe environment for a patient to work towards recovery and independence.

The pool is accessible to all individuals with disabilities or injuries by using a lift chair or adaptive stairs. It is not necessary to know how to swim to participate in aquatic physical therapy.

Common conditions treated include Fibromyalgia, Osteoarthritis, Back pain, Sacroiliac dysfunction, Rotator cuff, Paraplegia/Tetraplegia, General debilitation, Chronic pain syndrome, Neurological disorders, Lower extremity surgical reconstructions & amputations

If you think aquatic physical therapy can assist you in reaching your goals, ask your physician for a referral. Then call the convenient location for you to schedule an appointment. Aquatic physical therapy is covered under Medicare, and many insurance companies will reimburse the cost of this service.

Aquatic physical therapy is available at other Valley Health locations. Please call for aquatic physical therapy at other Valley Health locations.
