Actual Care Home Health offers Physical therapist to provide physical therapy in the home to patients with a wide variety of diagnoses and disabilities in accordance with a physician's plan of treatment, taking into consideration the individual's special or age related needs.

Occupational therapists perform therapeutic exercises and instruct in activities such as meal preparation, toileting and grooming. Also may assist with energy and endurance problems and address equipment needs such as grab bars.

Speech/language pathologists provide treatments to improve speech, swallowing, communication and problem-solving skills.
