Commonwealth Catholic Charities (CCC) offers a Care Coordination program. Care Coordination supports individuals and families by providing services to help manage and organize daily tasks and care. The Care Coordinator works with community providers such as doctors to ensure that needed services are provided.

Care coordinators can provide help with

- Routine visits
- Care monitoring and communication with family and other care team members
- Service Coordination
- Routine communication with family and other care team members
- Participation in medical appointments and follow-up after medical appointments to advocate on behalf of the individual
- Residential transition assistance
- Bill pay and budgeting services

There are several payment options available. A coordinator can give you more details.
