Catawba Hospital, part of the Virginia Department of Behavioral Health & Developmental Services (DBHDS), specializes in serving adults who need mental health care. Catawba Hospital is a 110-bed state, acute psychiatric hospital serving adults aged 18 through 64 and geriatric adults aged 65 and up. Both short-term "acute care" units and dedicated geriatric units are offered. Private and semi-private rooms are available.

For information about financial assistance regarding treatment provided by Catawba Hospital, please contact your local Community Services Board (CSB) or visit their [website](#).

Catawba Hospital is affiliated with the University of Virginia School of Medicine, where staff psychiatrists may have faculty appointments and help train psychiatry residents and medical students. A clinical practicum is available for students of various disciplines including nursing, psychology, social work, music therapy, recreation therapy, and food and nutritional services.
