The Financial Assistance Program offered by Bon Secours Health System at Rappahannock General Hospital helps uninsured patients who do not qualify for government-sponsored health insurance and cannot afford to pay for their medical care. Financial assistance may also be available to insured patients, based on family income, family size, and medical needs.

The financial assistance policy limits the amount that a patient will be billed to no more than the average insurance reimbursement received from insured patients.

For more information regarding our Financial Assistance program, you may call the financial counselor at any of our facilities or toll-free at 1-877-342-1500
