Lunenburg Medical Center is a satellite office of Southern Dominion Health System where comprehensive, primary health care is available to individuals and families in need of medical, dental and behavioral health services. Care includes infant and child care, adolescent medicine, primary, gynecology and primary care, geriatrics, preventive health care and minor surgery.

Diabetes classes are held at Lunenburg Medical Center as needed. This service is free to patients. Contact Trisha Cumin, RN, at 434-696-2165 for more information.

Southern Dominion Health System offers medical centers located in Dinwiddie, Amelia, Lunenburg and Greensville counties. Staff is dedicated to serving medically underserved, uninsured and underinsured.
