Heritage Hall offers rehabilitation professionals to assist individuals with their recovery process. Staff will evaluate your needs and develop goals to enable you to return home as soon as possible. Occupational therapist will prescribe devices or strategies to improve ease of everyday activities. Physical therapists are trained to assess deficits and utilize exercise, manual techniques and equipment to help patients regain or improve upon their physical abilities and safe mobility. Speech therapists evaluate and treat patients with communication disorders, swallowing difficulties and cognitive deficits.

Heritage Hall's comprehensive rehabilitative services are available seven days a week and are administered by licensed physical, occupational and speech therapists. Our rehab experts provide patient specific programs that are designed to achieve and maintain the resident's highest level of independence.

Heritage Hall mission is to help residents maintain their dignity and achieve their greatest possible level of independence.
