Bedford Community Christmas Station is an all-volunteer, community-wide organization that assists low-income families in the Bedford County community on a seasonal basis. Volunteers help low-income families by providing a shopping experience during December characterized by choice and dignity. Serving families with children is our highest priority.

Bedford Christmas Station is set up like a department store, with sections for infants, girls' clothing, boys' clothing, teen clothing and gifts, toys, household items, and food. Each family that is accepted to shop at the Christmas Station also receives a box of food.

Donations can be sent to Bedford Community Christmas Station, P O Box 1353, Bedford VA 24523.

There is also a [Year Around Food Pantry](#), as well as Easter Eggstra and Shoes for Students.
