NurseSpring is a home health agency that provides nurses, home health aides, companions, therapists, and more in the privacy and comfort of a patient's home. Personal care attendants provide valuable in-home support. The services of a personal care attendant include assistance with:

- Eating and feeding
  Bathing, showering, dressing and grooming
  Incontinence care
  Mobility, routine transfer, and light exercise
  Transportation, running of errands
  Medication reminders
  Check food expirations
  Cognitive development tasks

Companion care will include meal preparation, light housekeeping, errands, companionship, shopping, escorting, and more.
