Moon River Senior Care and Transportation provides transportation for all types of riders. Moon River has an ADA compliant van that can accommodate those who need to travel in a wheelchair. Transportation can be to medical appointments, social outings, shopping, or errands. Our service includes door-through-door transportation and assistance getting in and out of the vehicle.

There is an option of having a caregiver stay with the client or just provide drop-off service. One of our caregivers can document instructions from a healthcare provider and assist with a prescription pick-up. Following an appointment, the caregiver can help a client note the date and time of any future appointments.

Transportation requests include a mileage fee in addition to the hourly rate. The fee is the same for weekdays, evenings, and weekends. We also provide limited service on holidays at a higher rate.

Moon River serves Loudoun County and western Fairfax Counties. Cities served include, but are not limited to, Ashburn, Leesburg, Fairfax, Falls Church, Centreville, Chantilly, and Reston.
