The American Stroke Association/ American Heart Association realizes heart disease and stroke are the No 1 cause of death in Virginia. The Association members advocates for key health issues, train individuals in CPR and first aid and education healthcare providers. Visit the website for Go Red For Women, Power to End Stroke, My Heart, My Life, Youth Programs and the Heart Hub, the online patient portal for information, tools and resources.

Events are offered throughout the state to bring awareness and education and to raise funds for heart disease and stroke research.

Call for information.
