Life with Cancer offers bereavement and grief support groups. Grief is normal and healthy and through education and support, the healing process begins.

Good Grief Group is an 8- week educational and supportive program for people who have lost a loved one to cancer.

Parent Bereavement Group is a monthly support group for parents of children, 18 and under, who have died from cancer.

We also offer a program called Handling the Holidays After the Death of a Loved One. The group offers positive strategies to help people cope with grief during the winter holiday season.

Short Term Grief is counseling available for adults, teens, children, or families who may need individualized counseling or have specific issues or concerns.
