STEP provides Home Delivered Meals to Senior Citizens in Franklin County and Patrick County. STEP receives funding and referrals from the Southern Area Agency on Aging (SAAA).

Staff and volunteers from local churches deliver hot nutritious meals Monday through Friday to homebound senior citizens. STEP also provides a weekly supply of frozen meals that our seniors can reheat throughout the week, and bagged groceries and Ensure to clients that live in remote areas of the county.

Besides delivering meals our volunteers also provide a friendly face, someone to chat with, and the security of knowing that person is checked on Monday through Friday.
