Self Help and Resource Exchange (S.H.A.R.E.) is a food network designed to promote people working together to help one another meet each other's needs. Monthly registration (normally the 2nd Sunday) is held where food packages are purchased at a 50% to 60% discount off retail prices. Packages can be donated or purchased. For 2 hours of volunteer work and the discounted price, you will receive double in grocery items for your money.

This is not a public assistance program, but it is a way of distributing food in bulk while performing a community service. Packages are distributed monthly at the

church in the lower auditorium.

Call for more information.

Service Area(s)

Prince William County
