AIDSinfo is a U.S. Department of Health and Human services (DHHS) project that offers the latest federally approved information on HIV/AIDS clinical research, treatment and prevention, and medical practice guidelines for people living with HIV/AIDS, their families and friends, health care providers, scientists and researchers.

Health information specialists provide customized, confidential answers to your questions about HIV/AIDS clinical trials and treatment.

Call 1-800-448-0440 Monday through Friday 12:00 p.m. to 5:00 p.m. Eastern Time.

Spanish speaking health information specialists are available.

Inquiries are answered in the order received.

Most fax inquiries are answered within 5 working days

Spanish language e-mail inquiries will be answered.

AIDSinfo services and staff cannot replace direct communication with your healthcare provider(s). The staff cannot respond to questions about specific medical cases, offer medical advice, give second opinions or make recommendations about specific therapies.
