Stronger Together Breast Cancer Support Group is for patients diagnosed with breast cancer. Support groups bring people together who are going through the same experience or are still going through the experience. This group provides an

opportunity to share personal stories, celebrate victories, express emotions, and be uplifted. For more information contact Leigh Anderson (540) 245-7105. Space is limited and a mask must be worn during the meeting.

Generally, the group meets on Wednesday of each month from 4:00 PM until 5:15 PM in the Augusta Health Community Care Building.
