The Falls Church Senior Center periodically offers a Smart Driver Course. This is a refresher-driving course for licensed drivers aged 50 and older through the American Association of Retired Persons (AARP). This course will review the different processes of driving for the older driver. A certificate will be issued at the completion of the 2 day course, which can be submitted to insurance. The State of Virginia mandates a discount in car insurance.

The course is scheduled periodically throughout the year. The course may be offered virtually or in person. Call to find out when the course will be offered again.

Please bring AARP membership card with you to verify AARP membership in order to receive a discount. For more information, call 703-248-5020 (TTY: 711).

Convenient to E. Falls Church subway stop.
