Blue Ledge clients receive one meal a day, up to five days a week, depending on their needs. Our program is flexible and no client need to enter into a long term arrangement with us. Some clients may need us only in the short term while recovering from an illness. Others are with us for the long haul.

Any adult without the ability and means to prepare food is eligible, regardless of age. Clients or their families are encouraged to contribute towards the cost of their meals, but clients who are unable to manage any contribution are accepted if sponsorships are available.
