Fassity Home Care offers skilled nursing care in your home. Skilled nursing is provided by an RN or LPN under the direction of a licensed physician. Services can include, but are not limited to, the following: evaluation of client needs; performance of skilled nursing procedures; education of client and family members and caregivers on disease processes; self care techniques and prevention strategies; wound care; medication management; vital signs monitoring; diabetic management; IV therapy; pain management and more.

Therapy services can be offered in your home, including physical, occupational and speech.

Please call for more information.

Other services available are personal care, companion care, respite care, and private duty nursing care.
