Armor Medical Supply provides a full line of medical equipment. They are committed to providing patients with individualized, quality service. The professionally trained and experienced driver-technicians approach each case with patience and respect. Requests are filled in 24-48 hours and after work hours in most cases and they offer a comprehensive set of high-quality products, including wheelchairs, rollators, hospital beds, and back braces

Delivery and set-up are free and the certified technician's primary goal is to ensure that patients know how to safely and effectively operate their medical equipment. Armor Medical Supply also offers free servicing of equipment and replacement if needed.
