Home Nursing of Southwest Virginia offers physical therapy in your home. Physical Therapy is the treatment of disease, injury, or disability by using physical and mechanical means such as massage, regulated exercise, water, light, heat, and electricity.

Our team also works with your family members and caregivers to assist you in your recovery efforts. Available 24 hours a day / 365 days a year, our professional team is here to support your recovery needs.

Accredited by the Joint Commission on Accreditation of Health Organizations (JCAHO)

Other services available are nursing care, personal care, occupational and speech therapy, and medical social services.
