Always Best Care, ABC Senior Services, offers a retirement referral program for seniors. The primary goal is to help families understand all available options and provide support once the family decides on the best course of action for their loved one.

Services can include finding the right place to live, whether independent living, assisted living or residential care community, based on the level of care needed, budget and location. Staff can escort each client on a tour of the communities that are evaluated.

Veterans Assistance Program - Assistance to find funds to pay for the care needed, in addition to other services.

Free daily phone call program, Always in Touch, is a telephone reassurance program to provide socialization and reassurance that the senior is not alone. Free ABC RX

cards are available. Visit [ABC Rx Cards](#) for more information.
