Cool Tools for Vintage Virginians - Chesterfield Council on Aging

Date and Time

Thursday 11/30/2017 8:00 to 9:30am

Event URL

[Chesterfield Senior Events](#)

Event Region

Southwest Virginia

Event Type

Meeting

RSVP Info

senioradvocate@chesterfield.gov

Event Description

Most of us use some form of Assistive technology (AT) in our daily lives, everything from glasses or screen readers to voice-activated remotes and home management systems.

Sonja Schaible, AT Acquisition and Aging Coordinator at DARS, will share examples of available technology for seniors and ideas to consider when selecting equipment for your home.

Frazelle Hampton Virginia Captioned Telephone Outreach Coordinator at Hamilton Relay, will speak specifically to devices that assist those who are deaf, hard of hearing, Deaf/Blind or experience difficulty speaking.
