Event Description

Honoring Choices will host the screening "Defining Hope". Defining Hope is a documentary that weaves the stories of patients with life-threatening illness, and the nurses who guide them as they make choices about how they want to live, how much medical technology they can accept, what they hope for and how that hope evolves. It is about optimism and helps us define what 'quality of life' really means.

A panel discussion will follow the film. Reserve your tickets here:

<http://gathr.us/s/22523> (Please reserve ahead of time... before April 8th!) Nurses will receive 1.25 free contact hours for watching the film and completing the evaluation thanks to the generous support of Walden University.

Tickets are \$13 and can be purchased at <https://gathr.us/screening/22523>
