Event Description

CONCERT OF YOUNG ARTISTS Mark your calendar! Thursday, June 21, 5:30 pm  
Charlottesville Opera (formerly Ash Lawn Opera) will present a concert of Young Artists at the Senior Center. These talented young singers will appear in this summer's productions of "The Marriage of Figaro" and "Into the Woods." Young Artists are professional singers at the beginning of their careers, and are selected from all over the country through a competitive audition process. Join them as they give you a taste of their performances that will be held at The Paramount Theater in July and August. Free and open to the community. For more information, contact Charlottesville Opera at 434-293-4500 or [info@charlottesvilleopera.org](mailto:info@charlottesvilleopera.org).
