At OptimumCare Home Care services, physical therapists will work with patients in the restoration of their mobility and muscle function. The ability to move, to walk, to run - mobility gives an individual freedom. Unfortunately, injury and/or disability can reduce that freedom but there is always something that can be done to restore it.

Treatments provided include:

- orthotics and prosthetics fitting
- range of motion enhancement
- aerobic training and exercises
- mobility rehabilitation
- cardiovascular treatment / pulmonary physical therapy
- swimming pool / aquatic therapy
- orthopedic physical therapy
- toning and coordination of muscle
- vestibular restoration / balance training
