Parkinson Social Network hopes to bring together the Parkinson's community of Northern Virginia to inform, inspire and unify those living with Parkinson's Disease.

Please call about our unique Side x Side support groups. For caregivers, this group is to learn from each other and share information. For people with Parkinson's, group to join in group activities and share experiences.

Other programs include social events such as cafes and educational events (both in-person and online).

To find a support group for caregivers of individuals with Parkinson's, women with Parkinson's, or a general caregiver support group, visit [Community Events](#)

To learn more about the informal social cafes, visit [Cafes](#).
