Event Description

Stay healthy this flu season with a free flu shot! Carilion Clinic Community Health and Outreach will be providing free flu vaccines to adults 18 years and older, while supplies last. These events will be located throughout the area. Registration is preferred at some locations, registration is required at some locations; some locations say no registration is required. Visit the link, find a day and time and location that you would like to register for. Click on the highlighted location. Review the information so you will know the restrictions: Please plan to wear a shirt that provides easy access to your upper arm. Please wear a face covering when attending. Participants must not have a current acute illness such as a cold or fever. For more information and/or for any questions you may have, please feel free to contact Community Health Coordinator, Holly Ostby at (540) 458-3595 and/or email haostby@carilionclinic.org.
