## [Drive Thru Flu Clinic, Cumberland Plateau Health District](#)

Date and Time

Thursday 10/1/2020 9:00am to 1:00pm

Event Region

Southwest Virginia

Event Type

Community event

Event Cost

\$0.00

Event Description

Cumberland Plateau Health District tests preparedness capabilities while providing free flu Vaccinations to the public. The Cumberland Plateau Health District will hold two drive-thru flu clinics offering free quadrivalent flu vaccine (covers four types of flu) to Virginia residents ages 3 and up, from the convenience and comfort of your vehicle. On Tuesday, October 1, 2020 from 9 a.m. to 1 p.m., a drive-thru flu clinic will be held at the Valley View Baptist Church (Dickenson Highway) in Clintwood, Virginia. On Monday, October 5, 2020 from 9 a.m. to 1 p.m., a drive-thru flu clinic will be held at the Tazewell County Fairgrounds (515 Fairground Road) in Tazewell, Virginia. No insurance or ID is required. Vaccines are limited and will be available on a first-come, first-serve basis. Please wear a short-sleeved shirt or sleeves that roll up for easy access to the upper arm. Also, you must wear a facial mask in order to be vaccinated. A registration form is available online: <https://www.vdh.virginia.gov/cumberland-plateau/>. You may print and fill out the form (required sections marked by yellow), sign and bring it with you to the clinic. This will simplify the paperwork at the clinic, but it does NOT reserve a dose of vaccine, which is available while supplies last. For more information about the drive-thru flu clinic, contact Delilah McFadden, PH Local Health Emergency Coordinator for the Cumberland Plateau Health District, (276) 415-3367.
