English

NeuroTalk is a support group disease forum for many neuroscience diseases. Use the website to search for a disease, look at FAQ's, see the days posts, and see their calendar for different groups. You can join their community for free to become a part of the conversations in the groups.

There are:

- general conversations: New Member Info; Social Chat; On the Lighter Side for jokes and humor; and more
- health and related topics: relationships; children's health; dentistry; and more
- mental health: bipolar disorders; schizophrenia; alcoholism, addiction, and recovery; and more
- health conditions A-L: including [Amyotrophic Lateral Sclerosis](#)
- health conditions M-Z
