Event Description

The Brain Injury Recovery Group will meet 6:00-7:30 pm on the third Thursday of the month. There will be a presentation and then a discussion. Come join us for a discussion of anything you'd like to talk about related to brain injury or life after brain injury. Whether you are in the phase of looking for answers or have some experiences of what has worked for you or how far you have come you'd like to share, we can all benefit from sharing each other's experiences and insights. (please let me know if there is a speaker you would like us to present or a topic you would like us to address - thanks!) In December, 2022, the meeting will be on the 3rd Thursday in December - December 15th. For questions about the monthly meeting or more information, email or call TBI@mindspring.com call Kathleen at 540-650-1969 (no text) or call Betty Friant at 540-550-1784
