BRITE provides accessible transportation through ADA-Compliant Complementary Paratransit Service and Deviated Fixed Route Service within a ¾ mile radius of any BRITE fixed routes. These co-mingled transportation services are designed for individuals with disabilities as defined by the Americans with Disabilities Act (ADA) who cannot otherwise access BRITE's fixed route bus service for some or all of their trips. This is an origin-to-destination service. Individuals must first apply to be certified. Individuals with one or more disabilities that prohibit them from taking a bus must complete an application and be certified eligible. Go to [the ADA Application Form](#)

All eligible BRITE passengers can travel with a Personal Care Attendant (PCA) or Companion. You must notify the dispatcher about a PCA when you request transportation.
