The Town of Bluefield operates Graham Transit. Graham Transit runs three deviated fixed routes throughout the area each day. Funding for the system is through Federal and State Mass Transit Grant programs and is subsidized by the Town. The transit links residents with surrounding communities, shopping areas, medical parks, and hospitals. The bus may deviate up to 1 mile off the fixed route.

The system interconnects with Bluefield, WV Transit allowing riders to travel to almost any destination in the area. The fare for Graham Transit is twenty-five cents. You must have the exact fare. Drivers cannot return any change.
