Project N95 is a national nonprofit providing equitable access to affordable, authentic N95 respirators, KN95 and KF94 masks, children's masks, COVID-19 tests, and other products. Project N95's advocacy, education, and distribution of vetted goods and services help keep people safe and informed.

Masks and other Personal Protective Equipment (PPE) are available for purchase on the website. The website also offers [educational information](#) about Personal Protective Equipment (PPE) including masks.

Masks for Communities is a partnership between the Harvard FXB Center for Health and Human Rights and Project N95 which provides high filtration masks at no fee to people who cannot afford them. Project N95 partners with governments, healthcare associations, businesses, and philanthropic organizations.
