What is Good Dementia Care?

Free Two-Part Virtual Program for Caregivers on Best Approaches to Dementia Care

October 17 & 24, 2023

6:00 p.m. – 7:00 p.m.

or

December 7 & 14, 2023

12:30 p.m. – 1:30 p.m.

This program offers an interactive conversation between family caregivers and a team of healthcare professionals. After a brief presentation, the rest of the session is meant for questions, discussion, and sharing stories and ideas. We want to hear from you!

Two program dates are available, one during the day and one in the evening. When you register, choose the date that works best for your schedule.

Program Goals:

- Appreciate what constitutes good dementia clinical care
- Empower caregivers and care recipients to have meaningful discussions with and ask questions of healthcare providers
- Offer caregiving suggestions
- Connect caregivers to community resources
