

Understanding insurance and benefits is important to ensure you receive appropriate health and long term care benefits and to assist you with future financial planning. Learn about community services available in your area and public and private insurance providers and benefits resources.

The image shows a close-up of a 'HEALTH INSURANCE' form. A silver stethoscope is placed on the left side of the form. A silver pen lies diagonally across the bottom right section. The form includes a 'Patient's details' section with fields for name, family number, date of birth, and address. The main body of the form contains several numbered questions about medical history and insurance status, with checkboxes for 'Yes' and 'No'. A table on the right side of the form lists various medical conditions and their corresponding scores.

Medical Condition	Score
1. No heart disease	0
2. No diabetes	0
3. No high blood pressure	0
4. No asthma	0
5. No other chronic conditions	0
6. No other chronic conditions	0
7. No other chronic conditions	0
8. No other chronic conditions	0
9. No other chronic conditions	0
10. No other chronic conditions	0
11. No other chronic conditions	0
12. No other chronic conditions	0
13. No other chronic conditions	0
14. No other chronic conditions	0
15. No other chronic conditions	0
16. No other chronic conditions	0
17. No other chronic conditions	0
18. No other chronic conditions	0
19. No other chronic conditions	0
20. No other chronic conditions	0
