

Healthy Living and Prevention

Experts recommend that older adults get a regular checkup every year, even if they feel perfectly well. Here, you'll find preventive healthcare services for Virginia seniors, including fall prevention, cancer screenings, and other health assessments.

5 Things to Know About Taking 5 or More Medications

Medicines can improve our lives by regulating blood pressure, curing infections and calming restless minds and aching joints. But as you get older taking multiple drugs increases your risk of falls, confusion, and other serious side effects.

Peak Season for Respiratory Diseases Is Near: There Is Still Time to Get Vaccinated

On December 14, CDC issued a Health Alert Network (HAN) advisory to healthcare providers and public health officials highlighting the increased respiratory disease activity occurring in the U.S. The HAN noted that low vaccination rates for COVID-19, influenza, and RSV could lead to more severe disease and a strained healthcare system for the rest of the season.

GetSetUp ~ Live classes for older adults, by older adults

GetSetUp supports older adults to learn new skills, connect with others and unlock new life experiences. Older adults have incredible knowledge to share and new

mountains (literally and figuratively) to climb, but until now they haven't had their own place to pursue their passions and continue creating, growing, and giving back.
